DAINTY PAWS, LLC

ABOUT US

Dainty Paws sprouted from my pure love for all things furry. Since 2022, Dainty Paws has bloomed into a brand close to my heart. Why should humans have all the fun? That's why I whipped up these charming Pet Necklaces & Collars for our beloved Cats & Dogs. Each Dainty Paws creation is made with love, using eco-friendly materials that are safe for both our furry pals and us humans.

Our Beaded Collections are like the superheroes of accessories, crafted with FDA-approved food-grade silicone beads. The collars are built tough with vinyl-coated stainless steel aircraft wire, capable of handling up to 275lbs of tugging - ideal for both roughhousing and daily strut sessions.

Our Adventure Collection is like superhero gear, coated in Polymer webbing to keep off mould and funky smells! These collars and leashes are low-maintenance - a quick wipe and they're as good as new, ready to conquer rainy walks and muddy adventures!

We Ship Nationwide & Worldwide we can also Dropship within the Tampa Bay area for a small local delivery fee.

Once orders are placed and paid in full you can expect your order to be shipped or delivered within 30-45 days (Small orders ship within 10-15 days)

Our products are all handmade using non-toxic, eco-friendly materials, ensuring they are safe for both animals and people.

Dainty Paws products are handcrafted in Florida, sourcing all materials from the USA and Canada.
